Easter lilies originate in southern Japan's Ryukyu Islands. England got it in 1819, America in 1880. Japan and the southern US didn't start producing lily bulbs until the late 1800s. In 1941, Japan halted down lily bulb production.

Easter lilies symbolize fresh life in Christianity. In the Garden of Gethsemane, where Jesus prayed before his crucifixion, white lilies grew after his death. The Easter lily's trumpet form symbolizes Judgment Day's trumpets announcing the Resurrection.

Easter lilies, symbols of hope and new life, are placed in churches and homes. The Easter lily has been utilized at weddings, funerals, and other secular occasions.

The Easter flower symbolizes the resurrection of Jesus Christ and fresh life and hope. This flower's beauty and meaning will continue to captivate people for years to come, whether utilized religiously or secularly.
