National Vocation Awareness Week, observed the first week of November, is a time to bring awareness to vocations to the priesthood, consecrated religious life and sacramental marriage. Consider praying the Rosary, fasting, or offering special prayer intentions for vocations. Take some quiet time to reflect on the talents and desires God has placed in your heart, perhaps even journaling about where He may be calling you. The Diocese is also beginning another **Called by Name** program. After prayerful reflection, consider nominating a young man between the ages of 15 and 40 who may possess qualities suited to the priesthood by placing his name in the *Called by Name* container located in the vestibule during the month of November. *By: Amy Boyer Thomas*

Traveling Crucifix Program

(Prayers for an increase of Vocations)

DID YOU KNOW...

Our Parish has this program!

Each week, the Vocation Crucifix is passed to another individual or family to host the Crucifix for a week and by accepting the crucifix, you agree to pray for religious and priestly vocations during that week. The importance of praying for vocations is thus kept alive and prominent before the parish community. A packet of daily prayers and instructions are provided for you.

Wouldn't it be great if we could fill every slot on the sign-up sheet!!

To participate in this wonderful program, the sign-up sheet and crucifix basket return is located by the mailboxes across from the church office.

For questions contact: Amy Boyer Thomas at: amyboyerthomas@gmail.com

“By placing faith and hope in this command of the Lord, the intention of the Vocation Crucifix Program is to promote in local parishes fervent and devotional prayer. In the family, “the domestic church”, for the family—a community of faith, hope and love—is the normal place for the human, Christian and vocational growth of children” (The Conclusive Document). It is vital to future vocations that the seed be planted and nourished in families and local parishes. This program proposes a method that will keep the idea of religious and priestly vocations in the minds and prayers of Catholic families and parishes. Thank you for your consideration & participation!

How can our Catholic faith guide our participation in public life?

Join Eric Failing, Executive Director of the Pennsylvania Catholic Conference, for an evening exploring the Church's teaching on faithful citizenship.

Together, we'll consider the Church's teachings regarding the moral framework of “Forming Consciences for Faithful Citizenship” with the hope of binding the wounds and healing the bitter political divisions we see in our society today.
