Corpus Christi International Food Fair

The organizers of the food fair have invited St.
Ignatius to staff a table with desserts for sale.
Proceeds of the sales will be divided between
Corpus Christi and St. Ignatius.

If you are interested in taking this on, please
contact Don. Steve at shuetea@hbgdiocese.org or
contact the parish office.

As we begin to think of Fall/Winter...

If you use Propane or Oil from AERO Energy,
They will donate to St. Ignatius when you choose Aero Energy
for propane, heating oil or HVAC services!

We invite you to download an information sheet from their website (or contact the church office). Small donations from a committed congregation can make an astounding impact on the lives of those around them. Aero Energy will donate \$0.04/Gallon of propane and heating oil used annually to your church. In addition to the donation for fuel we also now offer a HVAC/plumbing component to our program. Customers enrolled in our House of Worship program will receive a 10% (up to \$250 /year) donation to their church for heating and cooling/plumbing system sales and service.

Following the 2023-2024 heating season, Aero Energy was able to donate over \$35,000 to churches, and with your help we can top that number this year! If your church is able to round up 20 participating members, they could receive on average a donation of \$600 a year.
Call 717-624-6721 for more information.

We have received a donation earlier this year. So your services do help the church.
