Everyone is invited to an exciting new event in October called "BEHOLD! A Conference for the Family of God". In the past, we've hosted men's and women's conferences in our Diocese. This year, we're focusing on our entire Diocesan family – single, married, families, the young, and the young at heart; BEHOLD! is for everyone. Join Bishop Senior and our keynote, Bishop Frank Caggiano, along with our dynamic breakout speakers, and musical entertainment, The Scally Brothers, for a full day of faith, fellowship, and fun on **Saturday, October 18th**, at Holy Name of Jesus Church in Harrisburg. Register today at www.hbgdiocese.org/behold.

The Harrisburg Diocesan Guild of the Catholic Medical Association will host the annual White Mass for Healthcare Professionals at Saint Joan of Arc Catholic Church (359 W. Areba Ave.), Hershey, on **Sunday, October 19th** at 9:30 a.m. Bishop Timothy Senior will be the celebrant. The White Mass provides an opportunity for all Catholic physicians, healthcare workers, medical students, residents, and their families to gather in solidarity and fellowship. Members of the Guild will renew their annual promises. Attendees are welcome to wear their white coats and uniforms. Anyone interested in learning more about the Catholic Medical Association is invited to gather for a reception in the Parish Hall across the street following Mass. For more information, please visit <https://cathmedharrisburg.org/>.

The loss of a child, regardless of what age he or she was at their death, is a devastating cross to bear. You do not need to bear it alone. Join us at St. Matthew's parish on **October 25th** for a Remembrance Mass, where you can grieve your loss and find support and healing with others who carry the same cross. If you would like to acknowledge your child by name, please include that information when you register. A light reception will follow, where you can learn more about Red Bird Ministries in the Diocese of Harrisburg. To register: <https://www.hbgdiocese.org/event/remembrance-mass-for-child-loss/>.
